

What is included in SMOTeens admission?

- Three hours of Science Museum Oklahoma access for teens, Love's Planetarium shows, hands on activities, and science demonstrations.
- Access to Pavlov's Café, Starbucks, and Science Shop
- No re-entry.

What activities will be available during SMOTeens?

- Make your own custom buttons, team up to play a video game on a giant controller, try out distortion goggles, explore electricity with our Van de Graaff generator, race on hopper exercise balls, and more.

Who is welcome to attend?

- This event is for teens 13 to 18 years of age.
- Parents and guardians are welcome to purchase 'Parent's Lounge' admission for limited access. What is the Parent's Lounge?
- The Parent's Lounge, located in our Science Live Auditorium, is a place for parents and/or guardians to stay during SMOTeens. Due to no re-entry, Parent's Lounge admission allows parents and/or guardians close proximity to their teen(s) without interrupting the 'teens only' atmosphere.
- It is not a requirement to purchase.

What is included in the Parent's Lounge Admission?

- Limited access to Science Museum Oklahoma: Science Live Auditorium, Pavlov's Café, Starbucks, & restrooms only.
- Light entertainment will be offered in Science Live Auditorium.
- Teen(s) are allowed to enter the Parent's Lounge with their parent and/or guardian, however parents and/or guardians cannot roam Science Museum Oklahoma with their teen(s).

Can younger siblings attend?

- People under 13 are not permitted

What safety measures are in place?

- Science Museum Oklahoma Safety & Security team will be enforcing our Conduct Policy.

- An off duty officer will be in the building.
- In addition to Teen Apprentices, adult staff members will also be working the event.
- Parents Lounge admission is available

Can I re-enter if I leave?

- There is no re-entry. Please have everything you need with you.
